

Join the Pauls for a VIPP “Autumn Splendor” Cruise

(Up the St. Lawrence River, down the New England Coast & Atlantic Seaboard!)

October 13 - 24, 2018

Whether you're drawn to charming seaside towns with tidy whitewashed buildings on a central village green; narrow cobblestone lanes, where a handful of patriots once envisioned a nation of liberty for all; elegant boutiques and bistros with a splash of Parisian flair; or Mother Nature in all her radiant autumn glory, you'll find your perfect coastal vacation here!

Begin your fantastic 11 nt. / 12 day cruise from **QUEBEC CITY, Canada** on the Holland America **ZUIDERDAM**.

Sail lazily up the scenic **St. Lawrence Seaway** and down the **Atlantic Seaboard** to:

SAGUENAY, Quebec- gorgeous, green and Gallic, this charming village is your gateway to some of the most stunning scenery in North America: majestic fjords, dramatic rocky capes and picturesque hamlets are all here. So are artisans of every type, from glassblowers to angora goat farmers.

CHARLOTTETOWN, Prince Edward Island – big on history & attractions – tour the picturesque farm that inspired *Anne of Green Gables*, enjoy a lobster lunch at Dalvay-by-the-Sea, or relax & shop.

SYDNEY, Nova Scotia – Latin for “**New Scotland**” – there are highland villages, the scenic Cabot Trail to explore, golden inland seas, Cape Breton and a Fortress of Louisbourg to explore.

➔ **Enjoy a VIPP Shore Tour in Sydney** (included).

HALIFAX (Nova Scotia) earns its name as you relive a part of Scotland. Visit famous Peggy's Cove, the most photographed lighthouse in the world, see the Bay of Fundy – with the highest tidal variation in the world, or lovely German-Swiss Lunenburg, or the historic Titanic Museum..

BAR HARBOR, (Maine) is one of the prettiest ports and our favorite. Visit Acadia National Park & Cadillac Mt. with its majestic beauty. Seafood lovers will love the New England Lobster cook-out! Stroll the town and shop the quaint shops. Go whale watching. This New England village will captivate you.

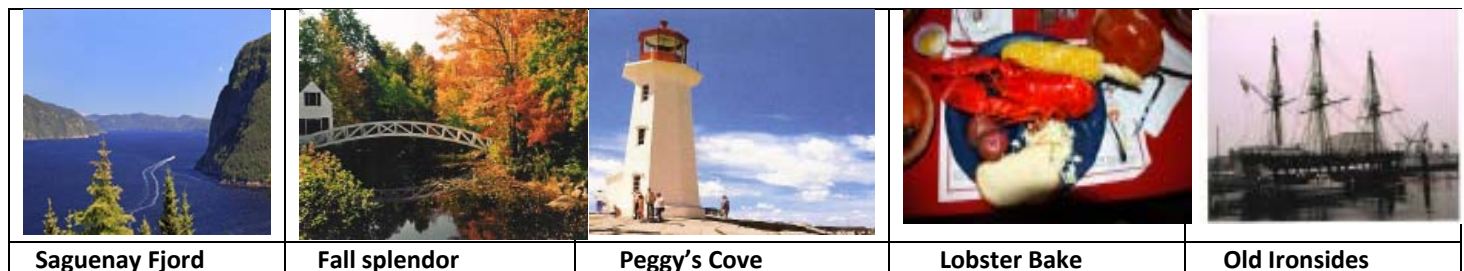

PORTLAND, (Maine) -A city that is historical but tinged with worldly Boston. Restaurants serve up the best Maine lobster and the famous Portland Head Light sends out its brilliant blinking beam. Nearby, the charming coastal town of Kennebunkport, a presidential summer retreat awaits.

BOSTON (Massachusetts)- enjoy the sights as history unfolds before you. Retrace the steps of Paul Revere & others on the FREEDOM TRAIL. Still time to shop, or stop in the pub of "Cheers." Tour Concord, Lexington, or Plymouth. So much to see & do!

PORT CANAVERAL, (Florida) Alligators and airboats, Disneyworld, the Kennedy Space center, Sea World, or Universal Studios – the choice is yours! A fun-filled day whatever you choose to do!

FORT LAUDERDALE, (Florida) – disembark here and fly home, or catch a later flight and enjoy the Everglades before your flight!
