AUSTRALIA 

EXTEND your AUSSIE VACATION!

It may seem like all these departures are in the distant future, but they are filling quickly.

Please try to choose the option you desire **now** as space disappears quickly. For those of you with extra time, we **strongly** suggest an optional pre or post cruise package, especially in Australia.

Special Note from Rita: Rates may seem high but keep in mind that Australia is HUGE and these rates already include inter-Australia **AIR FLIGHTS** (most are several hours) between all the cities rather than long days on a bus in dusty, barren roads (like last time!) plus super deluxe hotels, and sightseeing - really fantastic packages! The chance of a lifetime, we won't repeat!
