This will be our 42nd summer to visit Alaska! Come see why Tom & Rita Paul have been nicknamed "Mr. & Mrs. Alaska" by members of the cruise industry! Come with us and let us show you why we love it - and why thousands are talking about this VIPP Adventure!

At Pauls' - we don't just send you there ... we'll take you there!

A very special, personally designed tour - only found here at Paul's Cruises! The best of Alaska!

We depart from DFW (and other selected cities) for a fabulous adventure to the majestic "Great Land" of Alaska! Our hotel will be in **ANCHORAGE** for the first night. Then we board the fabulous **MIDNIGHT SUN EXPRESS** (domed railcars) for our exciting trip to **DENALI NATIONAL PARK**, for three days at two fabulous lodges! We'll be able to overnight south of the park at the beautiful **MCKINLEY PRINCESS LODGE** with its spectacular view of Mt. McKinley (weather permitting)! A private motorcoach will take us from the park entrance to the fabulous **DENALI PRINCESS LODGE** for our 2 night stay. Take in an optional dinner show or raft the Nenana River for a memorable adventure! The next morning we have an opportunity to explore **Denali** and its wildlife on a **deluxe DENALI NATIONAL PARK TOUR**. You'll totally enjoy your visit with our dear friend - famous dog-musher Jeff King, as you listen to his Iditarod stories and actually hold one of his champion puppies! We continue our adventure with 2 nights in **FAIRBANKS**. A **riverboat cruise** awaits us, a **city tour**, a visit to the **Trans-Alaskan Pipeline**, and a visit to a **gold mine** and panning for gold. Then, we fly to Anchorage to board our lovely "floating resort" for the next 7 nights - the wonderful **SAPPHIRE PRINCESS** (a fabulous destination itself!)

What an introduction to Alaska as we sail from Anchorage for a scenic cruise to 5 mile long **HUBBARD GLACIER**, nicknamed the "Galloping Glacier" since it is so active. Day 9 offers you spectacular views as your Princess ship glides through **GLACIER BAY**. We'll explore the gold rush history of fun-filled **SKAGWAY**. On to Alaska's capital- **JUNEAU** - for an optional tour to **MENDENHALL GLACIER** up close, a Whale Watching experience or a flightseeing trip over the glaciers! Visit **KETCHIKAN** where you can see salmon spawning, zip line, walk along famous Creek Street, or watch totem poles being carved. Our 13th day is spent cruising the **INSIDE PASSAGE**, a good time to relax and just indulge in Princess luxury and service as we think of all the marvelous sights we've seen! Our 14th day brings us back to **VANCOUVER** for our transfer to the airport. An **optional 2 night Vancouver tour** is available to **VICTORIA/ BUTCHART GARDENS** (before you fly home) for an additional charge. Or choose to spend an extra night in Vancouver or Anchorage! Special pre-cruise 1 nt Anchorage Hotel/Air package will be available later in 2023...first come basis.
