

# Join the Pauls for a VIPP CANADA-NEW ENGLAND Cruise

## **October 10 - 17, 2026**

Such a great cruise route - always fun - always something new to do!

LIGHTHOUSES – MANSIONS – LOBSTERS – FALL FOLIAGE – what a great cruise!

Begin our fantastic 7 nt. cruise from **NEW YORK** on the fabulous **MAJESTIC PRINCESS**. Sail past the **STATUE of LIBERTY** - out of **New York Harbor** to:

**NEWPORT (Rhode Island)** where the mansions of the golden age-

the Breakers, & the Elms, are as luxurious as when they were built!

**PORTLAND (Maine)** – take a boat ride out into Casco Bay and enjoy the city from the water – as you pass by gorgeous mansions & historical places or enjoy lobster in one of the many restaurants

**BOSTON (Massachusetts)**- enjoy the sights as history unfolds before you. Retrace the steps of Paul Revere & others on the **FREEDOM TRAIL**. Still time to shop or stop in the pub of "Cheers."

Tour Concord, Lexington, or Plymouth. So much to see & do!

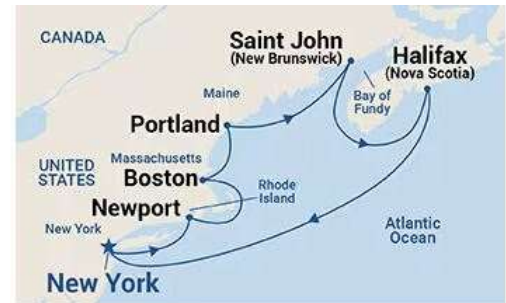

**SAINT JOHN, (New Brunswick)** enchants you with its historic waterfront, high cliffs overlooking the sea, lighthouses, and rugged scenery. Ride the reversing rapids, the Bay of Fundy (highest tidal variation in the world), visit St. Andrews, or explore the city by horse-drawn carriage.

**HALIFAX (Nova Scotia)** earns its name as you relive a part of Scotland. Visit famous Peggy's Cove, the most photographed lighthouse in the world.

**NEW YORK:** Be on deck as the Statue of Liberty welcomes us back.

Option: Spend a few days in New York- see a play, or Christmas shop.

All this and spectacular fall foliage, too!
